A WORD FROM MRS. BRYANT

Lights, Camera, Action!

On Wednesday, Savannah River Credit Union brought in a production team to make a video of our school and to get a glimpse of how we utilize the proceeds from the SRP Affinity Debit Cards. It is amazing how quickly your "swipes" add up. January through December of 2023, your "swipes" added \$5,580.15 to our School Projects Fund. These funds are set aside for one purpose... to make our school better for our teachers and students. Thanks to your "swipes," you have helped us purchase interactive panels for our classrooms, spruce-up the gym, and add more access points to improve internet service across the campus.

One of our parents said it best, "We all use a debit card anyway, why not use a beautiful red card with a cross on it. Makes perfect sense to me."

Getting your Affinity Debit Card is extremely easy. Just stop by any SRP! In most cases, they issue your new card while you're there.
